In response to the coronavirus outbreak, the regularly scheduled court sessions of Fairlawn Mayor's Court on Wednesday evenings at 6:30 p.m. have been temporarily suspended in favor of telephone appearances conducted by the Magistrate and the court staff. During this temporary period, and in order to lessen the impact on the public during this transitional period, it is HEREBY THE ORDER OF THIS COURT that until Court reconvenes its regular court schedule, for all minor misdemeanor traffic cases, the defendant will be able to arrange a payment plan with the Clerk's Office without the requirement of a court appearance to obtain court approval for said request. Once the Court reconvenes its regular court schedule, then this Order shall terminate without further entry or modification.

IT IS SO ORDERED.
